Edify Learning Forum Africa.

# Overview

---

At Edify Learning Forum Africa (ELFA), we are committed to driving positive transformation within organizations working in Africa, through the strategic integration of learning and performance enhancement.

With a focus on excellence, collaboration, and cultural relevance, we deliver bespoke solutions tailored to elevate operational efficiency and foster a culture of improvement.

# About ELFA

---

## Founded: 2018

Edify Learning Forum Africa (ELFA) is a training management firm that specialises in designing and managing organisational learning processes. We present a solution to organisations that choose to outsource specific tasks or those that require management and coordination of the entire training function.

# Our Mission

---

We promote a culture of continuous learning, collaboration, and informed decision-making

## Our Mission

Our mission is to empower organizations with effective learning methods, tools, and insights to achieve higher levels of success. We promote a culture of continuous learning, collaboration, and informed decision-making, driving sustainable growth and positive societal change.

# Our Vision

---

---

## Our Vision

We envision a future in which all organizations unlock their fullest potential through intentional learning strategies, embrace the wisdom of their collective and indigenous knowledge, and attain a standard of exceptional performance.

# Our Values

Join us at Edify Learning Forum Africa as we embark on a journey to elevate organizations in Africa through strategic learning, collaboration, and sustained growth.

## 01 Excellence

We uphold the highest standards of quality, reflecting our commitment to achieving exceptional results.

## 02 Collaboration

We value teamwork and collaboration as the driving forces behind innovation and progress.

## 03 Innovation

We leverage cutting-edge methodologies to deliver forward-looking learning solutions aligned with the dynamic corporate landscape.

# Our Values

Join us at Edify Learning Forum Africa as we embark on a journey to elevate organizations in Africa through strategic learning, collaboration, and sustained growth.

## 04 Integrity

We operate with unwavering integrity, ensuring transparency, ethics, and professionalism in all our endeavors.

## 05 Adaptability

We thrive in dynamic environments, adapting and evolving to meet evolving needs.

# Our Services

Navigate your organization's journey to knowledge excellence with our personalized plans for enhanced learning, collaboration, and organizational performance.

## 04 Collaborative Learning Forums

Extract valuable insights from past experiences to fuel continuous learning and growth.

## 05 Data-Driven Decision Insights

By meticulously tracking and analyzing training outcomes, engagement metrics, participation rates, and training efficacy, we empower your organization to foster sustained improvement.

# Our Projects

## ■ Adolescent CSE Toolkit development

ELFA collaborated with the Norwegian Church Aid to develop an adolescent comprehensive sexuality education(CSE) toolkit. This CSE toolkit aimed to create a modular, user-friendly tool that can be integrated into different global programmes with the goal to empower adolescents and young people to realize healthy sexual relations.

# Our Projects

## ■ Skills for Inclusive Digital Participation

Skills for Inclusive Digital Participation is part of the Digital Access Programme, which is led by the Foreign, Commonwealth, and Development Office on behalf of the UK Government. Worked with 300 community-level trainers recruited for local training delivery, supported by a community of practice.

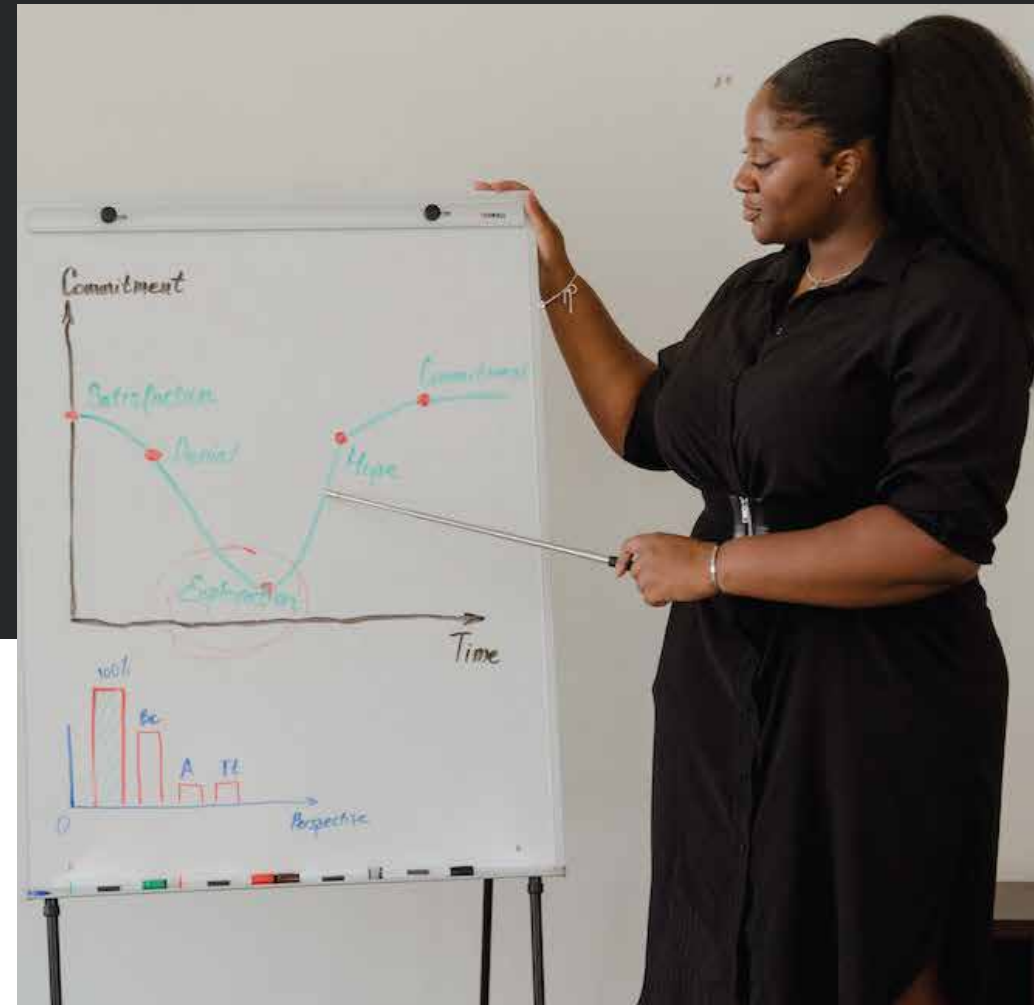

ELFA has further developed a digital literacy curriculum for out-of-school youth to augment the digital skills programs of nonprofit organizations, the curriculum targets themes such as;

- Digital Responsibility
- Digital Entrepreneurial Mindset
- Creativity and Innovation
- Digital Literacy

# Our Projects

## ■ E-learning Platforms Development and Analytics

Designed the Environment and social management system online e-learning course for AGRA staff and its partners. Environmental and Social Management System (ESMS) provides a systematic procedure to check projects for potential adverse environmental and social impacts.

# Our Projects

- **Optimizing Developmental Aid through Prevention of Sexual Exploitation, Abuse and Sexual Harassment (PSEAH).**

Implementing Partner PSEAH Capacity Assessment for Swedish International Development Agency (Sida) Zimbabwe partners, Preventing and responding to Sexual Exploitation, Abuse, and Sexual Harassment is part of the Principal values for Sida and cooperation partners.

# Our Projects

## ■ Collaborative Leadership Learning Forums.

(ELFA) Master classes and the ATECA Conference is part of our Collaborative Leadership Learning Forums held annually. The presentations at the ATECA Conference focus on important processes and practical challenges around designing training, access, delivery methods and financing.
